This Product Disclosure Sheet (PDS) provides you with key information on your takaful motor. Other customers have read this PDS and found it helpful; **you should read it too.**

1 What is Z-Driver Takaful?

Z-Driver Takaful is a motor takaful certificate designed to protect you and your registered vehicle from financial loss. You can choose from three types of coverage: Third Party, Comprehensive, and Third Party, Fire and Theft. Comprehensive cover protects you against financial losses resulting from accidental damage, fire, or theft of your vehicle. Third Party cover protects you from claims if your vehicle causes bodily injury, death, or property damage to others.

The applicable Shariah concept:

Takaful: Mutual assistance among the Participants to contribute to General Takaful Fund (GTF) providing takaful benefit payable to the Participants or beneficiaries on the occurrence of pre-agreed events.

Wakalah: Appointment of representative to manage the transaction on another person's behalf. In the takaful contract, we will manage your takaful certificate and charge you an upfront Wakalah fee.

Tabarru: A sum amount of money being contributed by you to GTF based on the donation contract.

Hibah: A gift contract that is applicable through surplus sharing from the GTF to the eligible Participants.

Conditional Hibah: A conditional gift where you agrees to transfer ownership of the takaful benefits payable to the nominee(s) upon your death.

Ju'alah: Reward given to us based on the performance of the GTF, where the 50% of the net surplus (if any) will be shared with us after the end of each financial year.

Qard: An interest-free loan provided by us in the event of deficit in the GTF. The loan will be repaid when the GTF returns to its surplus position.
