NOTES TO THE INTERIM FINANCIAL STATEMENTS - 30 JUNE 2012

1. BASIS OF PREPARATION

The unaudited interim financial statements have been prepared in accordance with the Guidelines on Financial Reporting for Insurers issued by Bank Negara Malaysia ("BNM"). The unaudited financial statements should be read in conjunction with the audited annual financial statements for the Company for the financial year ended 31 December 2011, which were prepared in accordance with Financial Reporting Standards ("FRS"), as modified by the Guidelines on Financial Reporting For Insurers issued by Bank Negara Malaysia ("BNM").

The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to gain an understanding of the change in the financial position and performance of the Company since the financial year ended 31 December 2011.

The Company has adopted the Malaysian Financial Reporting Standards ("MFRS") framework issued by Malaysian Accounting Standards Board ("MASB") and Revised Guidelines on Financial Reporting for Insurers issued by Bank Negara Malaysia ("BNM") with effect from 1 January 2012. These interim financial statements are the Company's first MFRS compliant report and hence MFRS 1: First-time Adoption of Malaysian Financial Reporting Standards has been applied. The transition from FRS framework to MFRS framework and the adoption of the revised guidelines issued by BNM does not have any significant financial impact to the financial statements of the Company, other than as described in Note 2 below.

2. SIGNIFICANT ACCOUNTING POLICIES

As all FRSs issued under FRS framework were equivalent to the MFRSs issued under MFRS framework, the accounting policies and presentation adopted by the Company for the interim financial statements are consistent with those adopted in the Company's audited financial statements for the financial year ended 31 December 2011, except for the adoption of the following:

| MFRSs/Interpretations | Effective Date |
|---|----------------|
| MFRS 1 "First time adoption of Malaysian Financial Reporting Standards" | 1 January 2012 |
| MFRS 7 "Financial instruments: Disclosures" | 1 January 2012 |
| MFRS 112 "Income taxes" | 1 January 2012 |
| MFRS 124 "Related party disclosures" | 1 January 2012 |

The adoption of the revised standards, amendments and interpretations issued by Malaysian Accounting Standards Board ("MASB') and revised guidelines issued by BNM which are effective in the current year do not have any material impact to the financial statements of the Company, other than as discussed below:-

(i) Previously revaluation as deemed cost for Property, Plant and Equipment ("PPE")

Prior to 1 January 2012, the Company applied the revaluation model for its land and buildings. With the adoption of MFRS 1, the Company elected to apply the exemption allowed under MFRS 1 to re-measure its land and buildings using the cost model, using the fair value of the assets as its deemed cost as at the date at the date of transition.

As a result, at the date of transition, the cumulative asset revaluation reserves were adjusted to retained earnings except for the life insurance business, where the asset revaluation reserves were adjusted to unallocated surplus/(deficit); of which both are components of insurance contract liabilities.

The impact of adopting this accounting policy to the Company is disclosed in Note 19 to the interim financial statements.

ZURICH INSURANCE MALAYSIA BERHAD (formerly known as MALAYSIAN ASSURANCE ALLIANCE BERHAD) (Incorporated in Malaysia)

NOTES TO THE INTERIM FINANCIAL STATEMENTS - 30 JUNE 2012 (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(ii) Designation of previously recognised financial instruments

Prior to 1 January 2012, the Company classifies its financial assets into the following categories: financial assets measured at fair value through profit or loss, loans and other receivables and available-for-sale financial assets.

With the adoption of MFRS 1, the Company elected to re-designate certain portfolio of financial instruments previously classified as 'fair value through profit or loss' to 'available for sale'.

The impact of adopting this accounting policy to the Company is disclosed in Note 19 to the interim financial statements.

(ii) Unallocated surplus and available for sale ("AFS") reserves on non-participating funds

Prior to 1 January 2012, the Company recognised unallocated surplus and AFS reserves of non-participating funds as part of actuarial insurance contract liabilities as required under Guideline BNM_GL_003-28 Guidelines on Financial Reporting for Insurers issued by Bank Negara Malaysia ("BNM") on 22 July 2010.

On 21 February 2012, BNM issued a revised Guideline BNM_GL_003-28, which is effective for financial period commencing 1 January 2012. Under this new guideline, there is no requirement/specification to classify the unallocated surplus and AFS reserves of non-participating funds as part of insurance contract liabilities. As at 30 June 2012, to further strengthen the life policyholder's fund, the Company had continued to recognise the unallocated surplus and AFS reserves of non-participating funds as part of insurance contract liabilities instead of equity.

As at the date of authorisation of these interim financial statements, the Company is still assessing the financial impact to the financial statements of the Company from the revised MFRSs, amendments to MFRSs and IC Interpretations issued by MASB but not yet effective in the current year.
